March 13, 2000

**TO: FEDLINK Members and Vendors**  
**FROM: Susan M. Tarr, Executive Director, FLICC**  
**SUBJECT: 2000 Member Handbook Update**

The attached are replacement pages comprising the FY2000 update of the *1999 FEDLINK Member Handbook*. Among the revisions are several important changes:

- A revised list of FY2000 FEDLINK vendors;
- A new serials subscription services section;
- Further explanation of consortial purchasing; and
- Revisions regarding training contracts.

The following will assist you in inserting the attached new pages in your *FEDLINK Member Handbook*:

- Replace the cover with the new 2000 FEDLINK Member Handbook cover and the table of contents.
- Replace the pages for Section I: Overview, Section II: Services, and Section V: Forms in their entirety behind the tabs in your current manual. We have enclosed a sheet that indicates when new sections begin in your replacement pages.
- Add the new tab enclosed for Section VI: Serials and the enclosed pages for that section.
- Replace the Abbreviations page, the FEDLINK Registration Checklist, the FEDLINK Contact page, and the Index with the new pages included in this packet.

If you have any questions concerning these changes or how they may affect your account, please call the FEDLINK Hotline at (202) 707-4900.
